

Online Gambling Simplified Personal Declaration Form

Notes to Applicants

The Gambling Supervision Commission (GSC) is the sole regulator of all online gambling activities on the Isle of Man. One of its regulatory objectives is to prevent gambling from being a source of crime or disorder, associated with crime or disorder, or used to support crime.

The purpose of obtaining the information in this application forms is to allow the GSC to both fulfil this regulatory objective and consider if the named individual meets the statutory requirements set out in the Online Gambling Regulation Act 2001 (as amended).

To make that decision, the GSC as the regulator for gambling activity on the Isle of Man is implicitly authorised to carry out such enquiries as may reasonably be expected to satisfy itself that these statutory requirements are met. These enquiries may inform the GSC of pending prosecutions, investigations, barring or disqualification by a professional body or industry regulators. If you would like to discuss this, please contact the GSC.

The GSC has produced guidance information to assist individuals, and these are available on our website www.isleofmangsc.com/gambling
